

TEAM AVENUE

The Road to Success for Student-Athletes

At Team Avenue Baseball Academy we work with athletes from ages 8 to 18 to maximize their athletic ability and academic potential regardless of their skill level. Using the game of baseball our staff encourages the development of life skills. We want our student-athletes to develop mental skills such as goal-setting, discipline, determination, work ethic and overcoming disappointment. At Team Avenue, it is “The Game of Life” and we create opportunities for all of our student-athletes to progress to the next level.

Our Programs Include:

Local, Domestic and International Travel Teams

Baseball Academy

Personal Hitting Lessons

SPARQ Training (Speed - Performance - Agility - Reaction - Quickness)

Speed & Form Training for Improved Running

Defensive Training
